Предисловие

Пособие включает задания по лексике и грамматике английского языка, которые предназначены для учащихся 6 классов.

Материал пособия также призван помочь учителям английского языка в подготовке материалов для контроля активной лексики и грамматики, подготовки учащихся к предметной олимпиаде.

Данное пособие можно использовать для тематического и промежуточного контроля, а также для самостоятельной работы учащихся вне образовательного процесса в учреждениях образования.

Данные задания составлены с учетом лексического и грамматического материала учебника по английскому языку для 6 класса авторов Н. В. Юхнель, Е. Г. Наумовой.

Пособие состоит из 27 тестов по 9 темам. Языковой материал представлен наиболее частотными употреблениями лексических единиц, грамматических структур.

Структура и языковое наполнение заданий отвечают требованиям десятибалльной системы оценки учебных достижений. Каждый тест состоит из пяти заданий, что соответствует пяти уровням усвоения учебного материала.

«Цена» каждого правильного ответа: I — 0,4 (2), II — 0,8 (4), III — 1,2 (6), IV — 1,6 (8), V — 2 (10).
